

Backcountry Horsemen of California Rendezvous 2023

Backcountry Horsemen of California will be hosting its Rendezvous in TEMECULA California on Oct 24-26, 2023. Our theme is "" = ver 35 year . Volunteers throughout the state will be hosting an awesome array of programs. These programs include presentations by numerous organizations such as the US Forest Service, BLM, Riverside County Open Space, and many others to educate our members, the equestrian and general public, and other trail user groups on the proper use of our trail systems. We do this by presenting classes on "Gentle Use" and "Leave No Trace" principles, the safety of individual and stock use, and the care of stock.

Other activities will include a kid's corral full of activities, trail trial competition, western art show, other contests, wine tasting, vendors, auctions, raffles, and plenty of education and entertainment. Without your continued support Backcountry Horsemen of California could not put on such a wonderful **FREE event** for the public and its members. We would love to include you in our program book.
