Stock Course Description:

The five-day Leave No Trace Master Educator Course is designed for individuals who will be teaching Leave No Trace Trainer Courses and Leave No Trace Awareness Workshops. The course focuses on the specifics of running Trainer Courses, i.e. a significant portion of the course is spent covering how to facilitate a Trainer Course – planning, logistics, equipment, running groups in the field, meals, risk management, how to teach, etc. Through classroom discussions, lectures and a four-day outing, this course covers the seven Leave No Trace Principles and outdoor ethics, as well as gives the participants tools and techniques for disseminating low-impact skills to outdoor enthusiasts.

The BCHC Master Educator Stock will be a base camp-style courses that generally involve minimal travel (hiking, etc.) during the day. There will not be any personal stock allowed at this course.

All stock for demonstration purposes will be provided by BCHC.
