WILDERNESS RIDER PROGRAM

The Wilderness Rider Program is a partnership between the Backcountry Horsemen of California, the National Park Service, the USDA Forest Service and the Bureau of Land Management.

Wilderness Riders are trained stock users who have made a commitment to educating others about the value of wild lands and the importance of LNT/Gentle Use Skills.

WILDERNESS RIDER JOB DESCRIPTION

Wilderness Riders represent the Backcountry Horsemen of California, the Park Service, Forest Service, and Bureau of Land Management.

Their duties are weighted equally between work in the field and workshop presentations.

Wilderness Riders are mounted volunteers who ride high use areas educating stock users and others about the value of wilderness and the importance of LNT/ Gentle Use skills.

They may also be called upon to monitor trail maintenance needs, maintain trails, conduct on site restoration, trailhead education, field based LNT/Gentle Use instruction and other duties as requested by the agency contact.

Wilderness Riders schedule and deliver educational sessions on how to practice LNT/Gentle Use skills in or out of doors, and could involve hands on demonstrations, skits, slides, videos, and other multi media presentation tools.

The Wilderness Rider must be able to maintain relationships with the agency partners and community members, schedule their own trips and educational sessions.
